A photograph of two women, Jane Critchett and Brittany Lane White, standing in front of a wooden shelf filled with various skincare products. Jane is sitting on the shelf, wearing a white off-the-shoulder top and white pants, with a gold watch on her left wrist. Brittany is standing next to her, wearing a white sleeveless top and white pants. The shelf behind them has several boxes of skincare products, including 'skinbetter' and 'L'Oréal Paris'. A vase of pink flowers is on the left side of the shelf. The background is a light-colored wall.
